

MATERIAL SAFETY DATA SHEET

1. Identification of the material and supplier

Product name Liquid Sky Smoke Fluid
 Product use Blend Oil
 Supplier Robart Manufacturing Company
 625 N. 12th Street
 St. Charles, IL 60174
 630-584-7616

HMIS:
 HEALTH=1
 FIRE=1
 REACTIVITY=0
 SPECIAL= NONE

2. Composition/ Information on Ingredients

Non-hazardous blend

3. Hazards Identification

Route of entry: skin contact, eye contact, inhalation, ingestion

Emergency overview/ potential health effects

EYES: May cause irritation

SKIN: Prolonged exposure may cause irritation

INGESTION: May cause irritation

INHALATION: Mist may cause irritation.

4. First-aid measures

Eye contact	In case of contact with eyes, rinse immediately with a copious amount of water. Get medical attention if irritation occurs.
Skin contact	Immediately wash exposed skin with water. Remove contaminated clothing and shoes. Wash clothing before reuse. Clean shoes thoroughly before reuse.
Inhalation	If inhaled, remove to fresh air. Get medical attention if symptoms appear.
Ingestion	If swallowed, DO NOT induce vomiting. Give several glasses of water to drink. Never give anything by mouth to an unconscious person. Obtain medical attention.

5. Fire-fighting measures

Flash point	Over 300F
Upper/ Lower Flammable Limit (% vol)	Not Determined
Autoignition Temperature	Not applicable
Hazardous combustion products	Oxides of Carbon
Extinguishing media	Carbon dioxide, dry chemical
Protection of fire-fighters	Fire-fighters should wear self-contained positive pressure breathing apparatus (SCBA) and full turnout gear.

6. Accidental release measures

Methods and materials for containment and cleanup	Dike to contain spill, cover with inert absorbent material, sweep up and place in a suitable container. Flush area well with water. Keep spills and cleaning run-off out of municipal sewers and bodies of water
------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

7. Handling and storage

Handling	Wash thoroughly after handling. Avoid strong oxidizers and acids.
Storage	Keep out of the reach of children. Keep container tightly closed

8. Exposure controls/personal protection

Engineering Controls: Ventilation

Personal protective equipment

Respiratory system	None required; however, use of adequate ventilation is good industrial practice.
Hands	Wear suitable gloves
Skin and body	Avoid contact with skin clothing. Wear suitable protective clothing.
Eyes	Safety glasses with side shields.

9. Physical and chemical properties

Physical state	Liquid
Color	Clear yellow to amber
Specific Gravity	7.05 lbs/gallon

10. Stability and reactivity

Stability	The product is stable.
Incompatibility with various substances/ hazardous reactions	Strong oxidizing agents and acids
Hazardous polymerization	Will not occur.
Decomposition products	Carbon dioxide, carbon monoxide

11. Toxicological information

No data available.

12. Ecological information

No data available.

13. Disposal information

Materials contaminated must be disposed to a permitted hazardous waste management facility in accordance with the Clean Air and Clean Water Acts, Resources Conservation and Recovery Act, and all relevant laws or regulations regarding disposal. If it can be determined that spilled material and absorbent do not meet hazardous waste criteria, disposal may not be regulated.

14. Transport information

Non-hazardous for transport.

15. Regulatory information

No data available.

16. Other information

All reasonably practicable steps have been taken to ensure this data sheet and the health, safety and environmental information contained in it is accurate as of the date specified below. No warranty or representation, express or implied is made as to the accuracy or completeness of the data and information in this data sheet.

The data and advice given apply when the product is sold for the stated application or applications. You should not use the product other than for the stated application or applications without seeking advice from us.

It is the user's obligation to evaluate and use this product safely and to comply with all applicable laws and regulations. CLC Lubricants shall not be responsible for any damage or injury resulting from use, other than the stated product use of the material, from any failure to adhere to recommendations, or from any hazards inherent in the nature of the material. Purchasers of the product for supply to a third party for use at work, have a duty to take all necessary steps to ensure that any person handling or using the product is provided with the information in this sheet. Employers have a duty to tell employees and others who may be affected of any hazards described in this sheet and of any precautions that should be taken.
